***Examiner's Statement of Reasons for Allowance***

1. Claims 1-9 are allowable over the prior of records.
2. The following is an Examiner's statement of reasons for the indication of allowable subject matter: Claims 1 and 6 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts. Prior art fail to teach a method and apparatus of a system having a plug and plug manager for determining whether a master device object having an identifier corresponding to the identifier for the component device object as an available path for the master device object; or if a master device object having an identifier corresponding to the identifier for the component device object does not exist, then creating a master device object and linking the master device object to the device stack of the storage device by obtaining a pointer to the component device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Examiner's Amendment/Comment**

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferable accompany the Issue Fee. Such submissions should be clearly labeled "Examiner's Amendment/Comment".
